PET RULES

Speleofest can be busy, unfamiliar, even overwhelming a place for pets. Perhaps your furry family member is an experienced camper who is ready to stay with us in our campground. There are some basic courtesies we would like you to remember during your stay.

Six foot Leash Rules apply to the entire property. Your pet is a guest at Lone Star preserve. Please respect your neighbors and their pets. Please pick up after your pet. **Bring along scoop and plastic grocery bags to hold your pet droppings. Please place the bags in the campground dumpster.** No animal, animal food or animal bedding shall be allowed inside or outside, within (25'), the main shelter building or registration building during the event. All animals must be kept on a leash held by a human or in a proper containment enclosure at all times. No animal shall be left at LSP without being placed in a proper containment enclosure. Specifically, no animal shall be left cabled or tied out in the open, on a stake, tree, rock or vehicle unattended.

Campground quiet hours (11 p.m. - 7 a.m.) apply to all of our guests, including pets. If your pet is fairly vocal outside of quiet hours, we ask that you leave them at home. Any animal that makes excessive noise and disturbs others, may be required to be removed from the property by the owner of the animal.

Because your campsite is a temporary home away from home, there is no need to be territorial. If your pet is territorial or just plain aggressive, they should be left at home in a familiar territory.

If you decide to go caving, exploring or partying, please take appropriate actions before doing so, to ensure safety for both pet and others.

If your pet finds these rules too strict, please consider local kennel options.

SAFETY REMINDER

All our guest deserve the very best experience while at Speleofest. To that endeavor, the following prohibitive measures shall apply during the caving event.

ATV's, golf carts, mini bikes, generators, air horns, unruly pets and anything that can go "Bang !" are **not allowed**. We want your visit to be a safe and enjoyable one. All the above are considered either a public nuisance and/or potential liability issue. If you have questions or concerns, please do not hesitate ask one of the staff workers for clarification. Your cooperation is very much appreciated.
